FOREWARD

The materiel in this book took many years of collecting from courthouse records, families, newspapers, and other outside sources. I want to thank the citizens of Taylor county who contributed their family data, and especially Lila Rodgers Wainwright for all of the hours of hard work she contributed. Also Guelda Hay and Millie Stewart for their moral support and encouragement that helped make this book possible. I am equally grateful to the Central Georgia Genealogical Society for publishing my efforts, so that others may share in my endeavor.

ESSIE JONES CHILDS

INTRODUCTION

On behalf of the Central Georgia Genealogical Society and it's Publication Committee, I wish to express our gratitude and appreciation to Mrs. Essie Jones Childs of Butler, Georgia for her contribution of her lifetime of work abstracting genealogical data on the people of Taylor county.

Born in Colquitt county in 1911, Essie Jones moved to Mitchell county in 1917. She received her high school and junior college diplomas from the Georgia State Agricultural and Normal College in Americus (now Georgia Southwestern College), finishing in 1931. From then until she married Preston Bussey Childs in 1933, she taught elementary school in rural Taylor county. They reared three children: Preston, Nancy, and John.

Upon the death of her husband in 1960, she successfully campaigned to fill his position as Taylor county Judge of The Court of Ordinary, an office she held as the county's first elected female official until retirement in 1977.

Among the responsibilities of the office of Ordinary was custodian of probate and vital records. During her tenure, many people requested copies of these records. These contacts inspired her to spend twenty years in research of probate and cemetery records and 1860, 1870, 1880 and 1900 censuses.

Taylor county is located in west central Georgia. It was created as the 98th county by the State of Georgia in 1852. The county was formed from Macon, Talbot, Marion, and later Crawford counties. Today, it encompasses 400 square miles.

Taylor county was named for Zachary Taylor, Military General, statesman, and Whig president of the United States. Butler, the county seat, was named for General William Orlando Butler, who was a hero, along with General Taylor, at the Battle of Buena Vista in the Mexican War.

I wish also to thank Ms. Guelda L. Hay and Ms. Millie C. Stewart for their assistance in arranging for us to receive this work from Mrs. Childs. Ms. Hay & Ms. Stewart previously contributed to our society, the Cemeteries of Taylor County, Georgia.

This publication contains the largest index we have prepared to date. It took many hours over an eight months period to complete. Mrs. Child annotated all the court and census records with family history data. Although some data was repeated from record to record, this publication is probably the largest collection of family data of any Georgia History.

THEY TARRIED IN TAYLOR is designed to be of use both to the genealogist and historian and to be of some interest to the general reader.

During the nearly seventeen years that I was Ordinary (Probate Judge) of Taylor County and custodian of vital records, many people wrote to me, or came searching, for records of deceased ancestors--their 'roots'. That inspired me to collect and publish these records of people who tarried here, some for a short time only and others who came and remained for the rest of their lives , leaving descendants who live here now.

Most inquiries were about the probate records of wills, marriages and estate accountings that began in 1852 when our county was formed, or cemetery markers and early church records. Those things are included in this work. Of especial interest are the minutes of two early Baptist Churches that were located in what was first Talbot County, namely Horeb, first called Bethel, established in 1828 and Antioch established in 1829. The membership rolls with dates of enrollment and abstracts of some of the minutes show who some of the very first white settlers were and how some of the church business was conducted.

Probably the bulk of the information herein is contained in the abstracts of the U. S. Census records of 1860, 1870, 1880 and 1900 with added information from 1850 censuses, marriages and wills of earlier formed counties as well as individual family histories. The census records are one of the best sources for finding family information. At a great loss to the nation, much of the 1890 Census was destroyed by fire.

Beginning in 1850 the census taker numbered the households in order of his visitation with the surname of the head of the house, his given name, sex, age and place of birth if other than Georgia and occupation if other than farmer. His wife is listed below him and then the children from the oldest to the youngest are below them with their ages and place of birth if other than Georgia. Later census records have more information included than the earlier ones. Genealogists should search for older ancestors in the 1850 Census and probate records of those counties from which Taylor was formed in 1852, namely Crawford, Talbot, Marion, and Macon Counties as well as others.

When the slaves were freed after the Civil War ended in 1865, black people were enumerated in the following census records, but they are not included in this work

Taylor County occupied a significant place in the movement of the early people into this area. Patterns of settlement tended to develop from the northern states southward into Georgia around Augusta on the Fall Line. This portage point on the larger navigable streams where the Peidmont Plateau fell to the coastal plains offered the advantage of fewer mountains and deep streams to cross. The very early animals in their migrations southward along the Line made crude trails that the Indians and early white trappers, then settlers, followed into Taylor County, and across it to the Columbus area then westward.

The Muscogee Indians were living here when the white men first came. They told the early missionaries how their ancestors came across the Bering Strait into North America, came down the central vallies into northwest Mexico and were living there as a separate tribe when, around 1519, the Spaniards under Hernando Cortez invaded Mexico from the east and began to rob and kill the Aztec Indians. The Muscogees went to aid the Indian leader, Montezuma, who was soon defeated and murdered by the superior , more modern forces of the Spaniards, As a result, the Muscogees left the area and began a fifteen-year northeasterly journey to the Ohio River. As they traveled, a party sent out to scout ahead was attacked and some of them killed by the Alabama Indians going in the same general direction, whereupon the Muscogees pursued them to the Mississippi River which the Alabamas crossed and settled in present-day Alabama.

The Muscogees continued their trek and were living on the Ohio River when they heard of De Soto in Georgia in the 1540's and decided to come here. Thus they began another trek, southward this time. As they came, they either attacked and dispersed any hostile Indians they met or assimilated them into their tribe, including the Uchee Indians living here. They had followed the Fall Line animal trails into Georgia near Augusta where they established a town which in time they left and continued along the Line to present-day Milledgeville (well established by white settlers by 1810). Later treks took them through Jones County to Macon, through Crawford County and across the Flint River where the Col. Benjamin Hawkins Bridge is located, then across the northern part of Taylor County they went to the present-day Columbus area, the southernmost point on the Fall Line in Georgia and the beginning of a later well traveled southern route to Texas. Here they crossed the Chattahoochee (Chata Uchee) River into the present Ft. Mitchell, Alabama , area and established their capital calling it Coweta.

Early white settlers in Georgia called the Indians 'Creeks' because they lived along the creeks and rivers where they could get fish for food and travel in their canoes from one place to another.

WILLIAM BARTRAM tarried in Taylor around 1777 gathering botanical specimens and information to send to England. He kept a diary and wrote of crossing Pagee Liga (Pigeon Roost-Patsiliga) Creek and going on through the pine forests westward to the present Ft. Mitchell area then called Coweta.

Around 1800 the Old Federal Road was established through Taylor County along the same old route with ferries across the larger streams. Later the road was called the Wire Road because of a telegraph line nailed to the pine trees along the route from Washington, D. C. to New Orleans.

Another early and very important tarrier in Taylor was COL. BENJAMIN HAWKINS, 1754-1816, the son of Col. Philemon Hawkins who married Delia, daughter of Zachariah Martin. Benjamin was a senior at Princeton when he was selected by Gen. George Washington as French interpreter on his official staff during the American Revolution. Later he became a congressman from North Carolina, then was appointed agent for all Indians south of the Ohio in 1796 and served in that capacity until his death in 1816 at the Agency Reserve on the Flint River. The Reserve was a five square mile area with half of it, in Crawford County and half of it in Taylor. Col. Hawkins had his residence on the Flint in Crawford and was buried on a bluff overlooking the river near where the present Col. Hawkins Bridge is located. A faithful servant was buried at his feet. In recent years the Boy Scouts placed an appropriate marker over his grave- the marker given by the D. A. R.

Col. Hawkins had a very important role in the history of our nation, especially with Indians and early white people in our area and nearby states. He taught the Indians better ways of growing food, having more peaceful relations with other Indians and the white settlers. He was called the beloved man of four nations, the Creeks, the Cherokees, the Chocktaws and Chickasaws.

Early in 1812, fearing he might die, he sent for his common-law wife, Lavinia Downs, to come to the Agency to be with him. She was the daughter of Isaac Downs, dispatch rider for Col. Hawkins, who was stationed at Ft. Wilkinson. With the Moravian missionaries stationed at the Agency performing the marriage ceremony, Hawkins married Lavinia, 1782-1828. Soon thereafter he made his will, naming his wife and their children. Jeffersonia, their youngest child, was born about 1815 after the will had been made. As a result she wasn't named in it and when it was probated in Jones County after his death in 1816, a legal battle ensued in order for her to get a share of his large estate. She married Francis Bacon who came from Boston and founded the town of Francisville in the Crawford side of the Agency around 1825. It flourished until railroads were built in the area in the early 1850's and it gradually became a dead town. Francis died and Jeffersonia was remarried to Dr. J. C. Harvey. The other children named in the will were: Madison; Georgia and Caroline who died without marrying; Muscogee mar. Christopher Kizer and Bagnell B. Tiller who left her; Cherokee married Lewis Lawsha; Virginia b. 1810 mar. William A. Carr b. 1803, captain in the Creek Indian War of 1836, Stewart Co., in which he was accused of ordering his men to retreat without sufficient cause and they moved to Yalobusha Co., Miss. William A. was the son of Henry Carr who mar. Mary Downs, 1783-1851, also a daughter of Isaac Downs and a sister of Lavinia who mar. Col. Hawkins. (See the Carr Family in the 1900 Census of Taylor Co.). Gen. Hawkins widow went into business with John Buchanan and lost her share of Hawkins' estate. She (Lavinia) died 1828 and was buried at Ft. Hawkins, Macon, Ga. and her grave is unmarked.

DAVID BRYDIE MITCHELL, former governor, succeeded Hawkins as Indian agent but did not remain long as he was accused of a conspiracy to bring slaves up the Chattahoochee to sell. He was succeeded by:

COL. JOHN CROWELL, 1780-1846, commissioned as a colonel in the War of 1812, was the son of Maj. Samuel and Tabitha Bradford Crowell of Halifax County, N. C. He was a state representative from Ala. until his appointment as Indian Agent in 1821 at which time he moved to the Indian Agency Reservation in Crawford and Taylor Counties on the Flint River. He probably continued living in that area until the Treaties of 1826 and 1827 when the Indians ceded (sold?) their last land in the State to Georgia. His brothers were Henry and Thomas. A sister was Elizabeth who mar. James Benton. The Crowells are buried in the cemetery at Fort Mitchell which has recently been named by the Veterans Administration as a National Cemetery. It is in Alabama.

CAPT. HENRY CROWELL, 1782-1840, also a son of Maj. Samuel and Tabitha Bradford Crowell, was one of the earliest settlers in Taylor. He and his family lived on an 1100 acre plantation in the Taylor County side of the Indian Agency Reserve and owned 72 slaves, a ferry, a tavern and lodging place. At that time that area was in Crawford County and Henry became an early STATE REPRESENTATIVE then STATE SENATOR from there. He is probably best known for his contribution of land and obtaining a preacher for "his wife and her girls to have a church." This church is still called Crowell United Methodist Church and is the first church established west of the Flint River.

Henry was married in 1807 to Sarah Cantey born 1792 to Capt. James and Martha Whitaker Cantey of Camden Co., S. C. Issue: Martha b. 1809 mar. Maj. Edward W. Wright; John C. b. 1811 mar. Louisa Miles; Elizabeth b. 1813 m. 1st to Michael Harvey and 2nd to to Alex K. Leonard; Henry, II b. 1815 m. Mildred W. Griggs; Cantey b. 1818 never m.; Mary Emma b. 1820 m. James Whitaker; Thomas Bradford Crowell, M. D., b. 1822 m. 1st

to Martha (Peggy) Wooten, 2nd to Margaret Benton; Ariadne b. 1826 m. William Alexander; Sarah Tabitha b. 1829 m. John G. Abercrombie and Floride Peyre b. 1835 m. Thomas Jefferson Woolfolk. The Crowells spent the last years of their livesat Ft. Mitchell in Alabama where they are buried.

In 1822 the Big Warrior, who then ruled the Creek Indians in Georgia and Alabama, told an early missionary how they took their lands from others and concluded with great exultation,"My ancestors were a mighty people, we were great warriors", whereupon the missionary asked him, "If this was the way you and your ancestor acquired all this territory, how can you blame the Americans from trying to take it from you ?" Never again could the missionary, the Rev. Isaac Smith, get the chieftain to tell more of the history of his people.

In 1825 Gen.Marquis de LAFAYETTE of France who came to help us during the American Revolution, returned for a visit. He spent the night at the Indian Agency Reserve on the Flint River where Col. John Crowell had a residence on the Crawford County side. He was a bachelor and Lafayette may have stayed overnight across the river in the Taylor County part of the Agency in the home of his brother, Captain Henry Crowell, whose gracious wife, Sarah Cantey Crowell, would have been a very approriate hostess for their famous guest.

The following day Lafayette continued his journey towards the Chattahoochee River by way of Mauk where, it is told, there is a stone upon which Lafayette alighted from his carriage. There is also in that area, the beginning of a small stream named Ramboulette which is the name of a very early rich and famous family, as well as a town, by the name of Rambouilett in France located not far from Paris. Lafayette's family was very wealthy and famous and that may have been his ancestral home and family.

GOV. GEORGE W. TOWNS, 1801-1854, had a second home and a large plantation near Reynolds and along the Flint River. He was the son of John Towns who married Margaret Hardwick. He first married a Miss Campbell who died a few days after they married. He remarried around 1830? to Mary, the daughter of John W. Jones of Va., former Speaker of the U. S. House of Representatives who had married Harriet Boisseau. John W. Jones was the son of Alex Jones who married married Mary Ann Winston (note that a street in Reynolds is named 'Winston'). The children of Gov. Towns and Mary were: Harriet Winston Towns, Margaret, John, Mary Winston, Anna, Lou Morton and George W. Towns, Jr. Gov. Towns served as GOVERNOR from 1-27-1847 until he retired in 1851. He gave land in Reynolds for a county site but Butler was chosen instead.

BRIG. GEN. ASA LEONARD SINGLETON was born in northern Taylor County 8-31-1876 and died 6-7-1943 at Warm Springs, Ga. at the home of his second wife, the former Mrs. Mabel Wood Wright, whom he married in 1941. He had married in 1903 while stationed in Manilla to Elizabeth, daughter of J. D. Forrest of Washington State. She died in 1939 and was buried in Arlington Cemetery where Gen. Singleton and his last wife are also buried.

Gen. Singleton went to grammar and high school in Taylor and Houston Counties and attended Emory University. He enlisted as a private during the Spanish American War and had active service with the American forces in the Philippines, Cuba, Alaska, Hawaii, Panama and France in addition to nemerous posts in the U. S. During W. W. I he went overseas as a Colonel and Chief of Staff of the 1st Division. After the Armistice he he was charged with the repatriation of about 67 % of the American Expeditionary Force and was awarded the Distinguished Service Medal. The French awarded him the Legion of Honor Medal.

Early in March, 1935, the 29th Infantry, the only war-strength regiment in th U. S., observed its 34th anniversary at Ft. Benning and Col. Asa L. Singleton assumed command of that largest peace-time regiment in the U. S. For some years the 29th at Ft. Benning had served as a'demonstration regiment'. In November of 1936 Col. Singleton was promoted to Brig. Gen. and commanding officer of Ft. Benning. It was said of him at that time that he was a native of Taylor County when he enlisted but in 1935 he was citizen of Ft.Valley. Gen. Asa retired as Commandant of Ft. Benning in 1940.

The parents of Gen. Singleton were Dr. Franklin Pierce? Singleton, b. 1828, d. 1898 in Ft. Valley, and his 2nd wife, Mildred Leonard (Hayes?)b.1848. Other children of this wife were Ira P. b. 1878 and Lewis ? Dr. F. P. Singleton m. 1st in Taylor in 1856 to Mildred V. Greer b. 1838 to Wm. H. Greer, 1815-1895, who mar. Mary, a dau. of R. B. Rucker and Serena Williamson Rucker. The children of Dr. Singleton by his first wife, Mildred Greer, were: Dr. Oscar G. who m. Eula Fickling; Cora b. 1860 m. Dr. George Carter; Lola b. 1862, Melvina b. 1865 m. J. E. Mansfield of Camilla; Anne Altha b. 1869 m. Dr. Wm. Collins Pumpelly of Macon and Bess b. 1871, d. 1848 in Atlanta, Lola b. 1862 m. J. J. Cartledge.

NATHANIEL BRADFORD, a cousin of Henry Crowell, tarried in Taylor in the early 1800's while it was still a part of Crawford County. From 1838 to 1842 he served as a STATE REPRESENTATIVE and died in office. He had been married to Sarah Temple but apparently he was a widower when he came here. Issue: a son, Henry, mar. 1st to Emeline Brooks and 2nd to Mary McCrary; Patsy unmarried, was buried 1849 at Fickling's Mill; John Joseph mar. Mary B. Horton.

ICHABOD COX, 1769-1861, was the first STATE SENATOR from Talbot County after it was formed in 1828 and lived in that part that became a part of Taylor County in 1852. He helped establish Antioch Church-it was built on his land. It is still an active church. He mar. Mary Rowan, 1775-1861, who was buried at Antioch. He died later and was buried in Stewart County. He was the son of Cary Cox, RS, mar.to Mary Horne. Issue of Ichabod: Nancy; Mary; James Rowan; Lemuel; Temple Mariah; Tabitha; Cynthia; William; Temperance; Cary; Malinda b. 1806 m. Rev. Zachariah Gordon and they were parents of Gen. John Brown Gordon who who later had a second home on the Flint River near Reynolds.

In 1827 at Indian Springs, the half-breed Indian Chief, William McIntosh signed the treaty ceding to Georgia the remaining land between the Flint and the Chattahoochee Rivers and was murdered by his fellow-tribesmen who claimed he acted against the wishes of the majority of the Creeks. With the State then owning that land, white settlers streamed into this area which at that time was called Muscogee. The counties of Talbot, Marion and Macon were soon formed from the eastern portion .

TAYLOR COUNTY was created in 1852 and named in honor of Gen. Zachary Taylor, a distinguished soldier of the Mexican War during which Texas won her independence then was admitted to the Union in 1845. He became the 12th president of the U. S. and died in 1850. The northern half of Taylor to Patsiliga Creek was taken from Talbot County; the southwestern quarter was taken from Marion County and the southeastern quarter was taken from Macon County. In 1853 citizens living between Patsiliga Creek and the Flint River petitioned the Legislature to become a part of Taylor County and the legislation was passed in 1854. The petitioners were: John S. Brooks, T. D. Humphries, C. F. Fickling, Gideon Newsom, Legrand Hudson, James Griffith, Myles G. Jackson and Joshua Tennison.

The INFERIOR COURT JUSTICES Thomas J. Riley, Jeremiah Wilchar, Hiram Drane, John Sturdivant and Isaac Mulkey met in their first session on 2-19-1852. They agreed that the county seat be named BUTLER for Gen. Wm. Orlando Butler, also a noted officer in the Mexican War and a poet who wrote "The Boatman's Horn", a popular song. The town was to be located at Wolfpen at the 50-mile station on the Muscogee Railroad that began in Columbus. Another railroad was being built from Ft. Valley to meet the Muscogee R. R. here with turntable on the eastern side of Butler to let each engine be turned around for the return trips. A large well was located there to supply the wood-burning engines with water for the return trips. A large pit had also been dug nearby and covered with brush to entrap wolves. This location was on the highest point around and soon families of wealthy planters, on the rich land along the streams, moved to Butler for the summers to escape the bad 'night air' that the people thought caused them to have malaria (mal (bad) aria (air).

Early INFERIOR COURT MINUTES show the following: W. A. Skellie was named County Treas.; Serreno H. Dwight, Census Taker; John Thompson, Sheriff; J. M. McCants, Clerk of Superior Court; James T(urner) Harmon, Clerk ofInferior Court; James B(lack) Hamilton, Judge of Probate Court; Charles Loyd, Tax Commissioner; J(onathan) Stewart, County Surveyor; Absolem M(organ) Rhodes, Tax Receiver.

Harmon by way of Lewis' Bridge on White Water to Butler; Jonathan Stewart, George Hays and Lewis Hill to mark out a road from J. Stewart's Mills on on Cedar Creek (crossing White Water at or near the mouth of Rambullet-'Ramboulet'on old maps and probably named that by Lafayette in honor of a prominent Frenchman from Lafayette's home country of France. Lafayette was near that area when he passed through here on his way to Ft. Mitchell in 1825.)

William Hurst, R. C. Baily and John Herricks appointed reviewers of a road from Butler to intersect the old Federal Road near the west line of the 12th land district; J. STATE SENATORS elected from Taylor County

Hiram Drane	Jonathan J. McCants	W. Frank Weaver	J. Thomas Cochran
Alexander H. Riley	James Marion Culpepper	J. M. Weaver	Louis R. Adams
Thomas Jeff. Riley	S. S. Monk	Grover C. Smith	Hugh Giles Cheek
Wm. Sharpe Wallace	Walter E. Steed	Charles H. Neisler	R. Clinton? Brooks
Wash. Leonidas Grice	Chesley B. Marshall	Dudley Taunton	Garland Turk Byrd

Ichabod Cox, founder of Antioch Church and living in that area of Talbot County that later was made part of Taylor, was the first state Senator in 1827 from what was then Talbot County and now Taylor.

WASHINGTON LEONIDAS GRICE, 1832-1925, writing to the Butler Herald in 1915, wrote that he came to Butler in 1855 and practiced law with Atty. Wm. S. Wallace. At the beginning of the Civil War he joined the Butler Van Guards as a 2nd Sgt. then soon advanced to become a Major, then a Lt. Col. in the 45th Regt., Ga. Infantry. He served until the end of the War. Later he was a State Senator then Judge of the Superior Court of the Macon Circuit. He married Martha Virginia, 1840-1926, daughter of Gen. Eli Warren of Perry, with whom W. L. studied law. Their son, Warren, 1875-1945, married Clara Elberta, 1875-1952, daughter of Samuel Henry Rumph, 1852-1922, originator of the Elberta peach and founder of the commercial peach industry in Ga. who married Clara Elberta Moore, 1854-1891. Warren became a member, House of Rep. from Pulaski Co.; Attorney Genl. of Ga. and Assoc. Justice, Supreme Court of Georgia.

GEN. JOHN BROWN GORDON, 1832-1904 was born in Upson Co., Ga. to Rev. Zachariah Herndon Gordon born 1796, died 1886 and mar. 1826 in Jones Co. to Malinda, daughter of Ichabod and Mary Rowan Cox who were two of the first thirteen members of Antioch Baptist Church when it was established 1-28-1829 near the Flint River in Taylor Co. on the land of Ichabod Cox. The Coxes were faithful members and often brought with them their little grandson in knee pants, John B. Gordon, destined to become well known throughout Georgia and even the U. S. as a Confederate General, U. S. Senator and Governor of Ga.

Gen. Gordon enlisted in the Confederate Army in 1861 rising rapidly in rank to become a lieutenant general by the end of the war when he commanded one wing of the army. It was said of him that no soldier in American arms evermade a record that surpassed in audacity and success the one marked out by him. He had married in 1854 to Fannie, daughter of Hon. Hugh A. Haralson. He was wounded eight times -five times at Sharpsburg. His devoted wife remained near him throughout the war and saved his life by her careful nursing of him.

When the Confederates surrendered, Gen. Gordon urged his men to "bear their trial bravely, to go home in peace, obey the laws, rebuild the country...." His influence helped greatly to heal the wounds of the war.

Probably remembering the happy days of his boyhood while visiting his Cox grandparents on their Flint River plantation in Taylor County, Gen. Gordon in 1873 bought 1215 acres of land on the Flint River near Reynolds in the area where Joe H. Brown and Gov. G. W. Towns had owned much land. Gov. Towns had operated a large plantation and had a second home there. Gen. Gordon also had a second home there and named his plantation 'Beechwood'. He established a way of life on it as nearly as he could to that of his childhood with black people working the fields and tending his pecan orchard from seeds or plants brought from Texas-the first in the area.

Gen. Gordon's children were Hugh Haralson Gordon who mar. Caroline Lucinda Williams (they were part owners of Beechwood); Frank Gordon who mar. Georgia Kilburn; Frances Gordon who mar. Burton Smith; John B. Gordon, Jr. died young; Caroline Lewis Gordon m. Orton Bishop Brown.

Immediately after Gen. Gordon's death in 1904, a movement was started to erect a suitable memorial in his honor. Contributions poured in from the South and from the North. Three years after his death, there was erected on the northwest corner of the capitol grounds in Atlanta an equestrian statue in bronze of Gen. Gordon, done by Solon Borglum.

ANTIOCH MISSIONARY BAPTIST CHURCH

Antioch was constituted into a Church January 28, 1829 with 13 members and 3 joining the Church and with the aid of the Brethren Henry Hooten and James Steely, Ministers. Many of the first members belonged to the Family of Ichabod Cox and came from Jones County. Some of his family members are as follow:

Ichabod Cox, 1769-1861, was Justice of the Peace of Jones Co.1810-1817, State Senator from Talbot Co. in 1828, the first one. He was the son of Cary Cox, R.S., 1746-1814, married Mary Horne. Ichabod married married Mary Rowan b. 1775 d. 1843,she is buried at Antioch. I think Ichabod was buried in Stewart Co. Their children:

10. Malinda, 1806-1883, married Rev. Zachariah Gordon b. 1796, son of Chapman Gordon. Zach H. became a preacher around 1826 and at that time and later, he lived in Upson about 2 miles from the Flint River and Antioch. He served a church there and 3 others at the same time for 14 years as the held services one weekend a month. Soon after he started preaching, when the Baptists were greatly divided on the question of Missions, he, with Rev. Jacob King, formed the first missionary society in Upson Co. There are many records in the Antioch Minutes where members are excommunicated for joining a church of another faith and order-probably a church that did not believe in Missions as Antioch did. In 1841 Rev. Gordon 'did great good in the Cherokee Indian Country'. He and Malinda had 3 sons and 1 daughter. Eugene C. became a preacher and John Brown Gordon, 1832-1904, was the 35th governor of Georgia, 3 times a U.S. senator and volunteered in 1861 in the Southern Army where he rose to the rank of Lt. Gen. and commanded one wing of Lee's Army at the end of the Civil War. He had married Fannie, daughter of Gen. H.A. Anderson. She stayed near to him during the War and saved his life by her careful nursing after he was badly wounded at the Battle of Sharpsburg. Gen Gordon won international fame as a soldier. He was a very great statesman while serving as governor and senator. When he was a small boy in knee pants, he visited Antioch Church with his mother, Malinda Cox Gordon and his grandparents, Ichabod and Mary Rowan Cox.

On January 28, 1829 in what was then Talbot County the Brethren James Steely and Henry Hooten came forward by Church authority and constituted the following members a Church of Jesus Christ:

Rev. Henry Bell	Lemuel Cox (s/o Ichabod)	George Palmer	Ichabod Cox &
William T. Burk &	William Rushin (son/i/l	Caroline (Fickling) Cox,	Mary (Rowan) Cox (wife of Ichabod)
Epsy Ann (Collins) Burk	of Ichabod Cox)	(wife of Lemuel Cox)	Martha Palmer
Caroline Powell	Tom of Cullor	Caroline Powell	Judy of Cullor

On 2-14-1829 Rev. Henry Hooten was chosen pastor & served till 7-17-1830.
Rev. John Ross served 7-17-1830 till his death 7-17-1837. He was born 2-15-1786.
Rev. James Perryman b. ca 1794 by 1850 Talbot Census served 1838-1841.
Rev. Sanders W(alker?) Durham, 1799-1870, served 1842-1862, ordained at Ariel ca 1838,(later Glover School)
Rev. Dr. Ben S.? (L.?) Ross b: 1825, served 1863- 1866 and was son of Rev. John Ross.
Rev. John S. Searcy served as pastor 1867 thru 2-11-1872 and to the end of the first Church Book.
Early country churches held services one weekend a month and he had other 'churches' also.

William T. Burk was Church Clerk from the start of Antioch till 1836. Richard Beasley Rucker served as Clerk after him until 1856 then C.L. Walker served until 8-19-1860 when he left the church. W.J.F. Mitchell b. 1813 served as Clerk until 2-11-1872 to the end of the first Church Book.

Black people continued as members of Antioch from its beginning until they had their own Antioch Church in 1869 after the Civil War ended 4-9-1865. On 9-12-1863 "the colured brethren send for Army Mission $15.60". The white congregation sent $155.40. From the beginning of Antioch there cases where members would be cited to appear at conferenceto answer to charges of being absent, of drinking 'ardent spirits to excess', of gambling, of foot racing, of dancing, of fighting and of profane language. If the accused person would appear and make proper acknowledgment he would usually be forgiven but sometimes he would be excommunicated. Even so, he might later repent and be reinstated.

Following are some excerpts from photo copies of the original first book of Antioch Church Minutes:

On 8-14-1829 Lemuel Cox chosen a deacon. H. Bell, Ichabod Cox & Wm. T. Burk chosen as delegates to the Ichaconne Association. Bro. Bell to write & bear the letter to the Association & one dollar sent for minutes.

On 10-17-1829 a committee was appointed to go and converse with Mrs. Henry Bell about reports that her husband went to bed with a young woman and attempted to go off with her. The committee of ladies to report back to their husbands and the husbands in turn to report to a committee of men and get help from other churches to decide what to do. They found him not guilty of the first charge but guilty of the second. He came forward and made acknowledgements and the committee voted to retain fellowship with him but voted against him 'exercising his gift.

On 3-19-1831 a conference of representatives from neighboring churches met with Antioch and voted to reinstate Bro. Henry Bell to the ministry. Sanders W. Durham was called as an assistant deacon.

On 4-16-1831 Antioch voted that new framed seats be made to fill the meeting house. The next month Bethlehem church sent a request for ministerial aid to ordinate Br. Joseph J. Battle to the ministry.

On 6-18-1831 a superscription was prepared and presented for support of the Gospel and was approbated..

On 5-19-1832 Br. Henry Bell was given full credentials to preach.

On 6-16-1832 the appointed committee labored with Sis. Mathews and Sis. Holt and reported to the Church they could not settle the difficulty. The Church then took up the case, heard the testimonies and decided to excommunicate Sis. Holt for palpable contradictions and charging Sis. Mathews with drunkenness etc. which she proved untrue.

On 8-18-1832 the church enjoined the clerk to prepare a superscription to be presented Sunday morning for the purpose of raising a sum of money to pay for building a meeting house at Antioch. It was later decided to 60 feet long and 40 feet wide and 12 feet in the pitch and 10 feet at one end for black people with a bar between to extend around to the pulpit which was to be 'parnell work. Later it was decided that the building was to be only 30' x 50' and let to the lowest bidder at public outcry. Wm. Rushin, Ichabod Cox & Jesse Stallings, members with A(rch) Gray and Joseph Riley , non members were commissioned to superintend the building. The last two declined to serve so W.T. Burk & S.W. Durham were appointed.

On 10-20-1832 Br. John Mitchell's license called in & verbal authority given him to exercise his gift among the brethren in the bounds of 'this church'.

On 11-16-1833 the church appropriated 50 feet square of ground in the northwest cornerof the meeting house square for the use of an academy exclusively and on 1-18-1834 deeded it to the trustees. Br. Ichabod Cox also undertook the cleansing of the meeting house for athat year in the following manner-to be scoured three times in the course of the year and swept every Sat. morning of our stated meetings, in consideration of the same the church is to pay him the sum of $10.00. Abram of cullor, property of Sam Calhoun was granted a letter of dismission. Sally, property of James May, received by letter.

On 4-30-1834 Reports are in circulation against Br. Jesse Stallings which has a tendency to wound the church. Therefore the church deems it their duty to appoint James B. Hooten, Wm. T. Burk & Wm. Rushin to wait on Br. Stallings and seek into the affair & report the same at the next conference & cite Br. Stallings to attend.
On 11-15-1834 Rec'd. a petition for ministerial aid from POSEY'S Meeting House to ordain a deacon.

On 2-14-1835 a charge prepared against Br. Jesse Stallings for joining in a combat of fighting at Centerville & for drinking ardent spirits to intoxication at Mr. MAY'S Store. Made satisfactory acknowledgements & retained.

1-16-1836 Church at Talbotton requested ministerial aid in ordination of Br. Jas. Perryman to the ministry. Br. Pinkston agreed to keep the meeting house & spring in a state of cleanliness for $11 that year.

On 4-14-1836 The charge taken up against Br. Wm T. Burk for purchasing (Lmnd) lottery tickets & persisting in it.The helpers being present from the sister churches to decide the case (Viz) Ebenezer, Bethel,Talbotton and New Providence and after a considerable debate, satisfaction was given (by Br. Burke), the voice of the Church was taken and Br. Burke was restored to fellowship. He then applied for letters of dismission for him & his wife. He had been Clerk of the Church from its start. R.B. Rucker was then chosen Clerk of the church. Br. Burk & wife rejoined the church 10-15-1836. The next month Sis. Temperance Harvey, dau. of Ichabod Cox had written a letter to the Church relative to her situation betwixt her & her husband. The question was put to the Church & it was unanimous in retaining fellowship & she was retained in the Church. (She later married L. White.).

On 8-20-1836 Br. Ichabod Cox applied for letters of dismission for himself & wife.(Moved? to Stewart Co.?).

A resolution was presented to Church: "Resolved that every member of this church shall be at full liberty to act discretionally with regard to the benevolent institutions of the day (Missions?)- Provided they doth not sin in so doing nor deviate from the Holy Word of God and that it shall not have any bearing on our fellowship, one with another. Let them give or not give (to Missions?) as each one's conscience may direct them."

On 11-20-1836 Br. Wm. Mitchell made satisfactory acknowledgements and was cordially Rec'd. to former station.

Rev. John Ross, b. 2-15-1786, d. 7-17- 1837, was pastor of Antioch from 7-17-1830 thru 7-15-1837 and was buried in the Mitchell Cemetery near the Flint River in Taylor County with Antioch putting a good marker over his grave,still there to this day. He held services one weekend a month and was much in demand to preach at other churches. He served 29 years in the Ministry and preached at Antioch one month before he died. There were reports that Rev. J.J. Battle said Br. Ross had departed from the Missionary faith. Br. Battle wrote that the reports "are declared to be intirely false and untrue." On 12-30-1837 Br. James Perryman was chosen pastor and George C. Powell and George Palmer were chosen Deacons. Arch Gray gave Antioch a large Bible for the express use of the Church. On 2-17-1838 Br. Joseph Ross was Moderator.

On 8-27-1838 the Brethren Perryman, Durham, the Deacons and other members met at Br. Henry Bell's for the purpose of waiting on Br. Bell's afflicted wife by her request to hear her experience and administer the ordinance of baptism which was duly performed. She was named Margaret.

ARIEL BAPTIST CHURCH

On May 12, 1832 in 'the Hobbs Settlement' in Crawford County that was later part of Taylor County, in Land Lot 203 in District 14, ten church members were constituted into a Church by the Brethren Thomas Bloodsworth of New Hope Church in Macon County and John Ross pastor of Antioch Church, who were sent for and came with Church authority. The ten were; Luke & Delilah Brown; Allen & Sarah Jones; Able Windom; Mary Holbs; H(enry) Pinkston; Penellopy Smith; Mary Holbs; Frances Holbs

The Church agreed to send a letter of recommendation on the part of Annis Johnson to the sister Church at Little Brier Creek in the County of Warren, Georgia for a letter of dismission.

On 7-7-1832 Br. Henry Bell was chosen as Preacher & Allen Jones was chosen as Clerk. On 11-24-1832 Henry Pinkston was chosen Clerk as Allen Jones asked for letters of dismission from the church.

On 2-9-1833 Br. William Tune made a confession of intoxication, the church gave him a charge & forgave him.

On 4-14-1833 the Church agreed to perform foot washing twice in the year,

On 7-13-1833 'through the solicitations of Br. Bell by reason of affliction, the Church agreed to call Br. Ross as a supply for Br. Bell. (Br. John Ross).

On 9-7-1833 the Church took up the case of moving the Church, and building the meating house on Pascal Branham's land (On Land Lot 203 in District 14 of then Crawford Co. that in 1854 became Taylor Co.in the area, probably where Glover's or Byrd's Cemetery now is.)

On 1-11-1834 Br. William Boughden (Bowden) was chosen Pastor & 5-11-1833 Thomas Little was chosen Clerk. On 7-12-1834 William & Rachel Bowden received by letter. 12-13-1834 Able Windom was chosen a Deacon. On 3-3-1835 Josiah Knighton was chosen a Deacon.

On 9-7-1833 Commissioners chosen to move the Church & build the meating house were Henry Pinkston, Abel Windom, John Windom, Gideon Newsom, Pascal Branham & Harmon Purvis.

On 12-13-1834 Rec'd. a Letter from Posey's meeting house asking for ministerial aid to ordain deacons.

On 6-13-1835 Abel Windom was ordained a Deacon & Br. Bowden 'called' as pastor for balance of year.

On 3-12-1836 received a decorum or rule to govern the Church & made it obligatory to read it in church quarterly. It seems the 'decorum' was anti-missions, a very controversial issue in the Baptist churches of the day and Ariel in particular as the church clerk, Thomas Little of the pro-missions group, was on 5-15-1835, arrested and put out of office. He charged a set of rules had been received contrary to the word of God and the constitution of the church and did not allow liberty of conscience and the laws of the country., whereupon Josiah Knighten, Robert F. Miseldine, Ann P. Stuckey, mary & Susan Ann Little 'stood opposed to the articles...and therefore they (Wm. Bowden & his group) had unchurched themselves by declaring a non-fellowship...with any friendly for missionary Bible tract societys, Sundy Schools & theological siminarys'. 'Wherefore, we,(Clerk Thomas Little, Josiah Knighten and that group).!consider ourselves the Church and William Bowden and his party, transgressors.' When Thomas Little's group met for church later, it was locked. They did meet 5-27-1837 and called Br. Henry Bell as their pastor, then passed a resolution that each brother or sister be free to give or not to give to the benev--olent institutions...and it shall be no breech of fellowship.

10-21-1837 William Bowden and his party were to be cited to attend next conference and Thomas Little's group asked Br. Perryman from Talbotton, Br. Z. Gordon from Harmony (a missionary to the Creek Indians later) & Br. Durham from Antioch to aid them at the hearing for William Bowden's group. T.L.'s group also asked the church at Antioch to ordain Br. Sanders W(alker?) Durham to the ministry and asked him to be their pastor as Br. Henry Bell was unable to attend them.

On 12-2-1837 William Bowden & his party (that disented with him) being present and the helps from Antioch, H. Bell, H. Pinkston, J. Hatcher & from Harmony J. Davis & J.R. Cox and after much deliberation and brotherly for--bearance the Church excommunicated Wm. Bowden, Abel Windom, Rachel Bowden, Gracy McGlamery, Mary & Frances Hobs, Mary (Hobs) Carrel, Mary (Davis?) Tennison, Sarah Boseman & 2 blacks, property of Gideon Newsom. They were ex--communicated for their non-attendance when cited and other unchristian conduct.

On 9-1-1838 Ariel agreed to remove the meating house to the school house until they could get get one.

On 1-5-1839 appointed T. Little & J. Knighten to demand William Bowdens credentials & called Br. Sanders W. Duriam (Durham) to the pastoral care of the church another year. Later reconsidered calling for the credentials.

On 4-6-1839 After hearing Br. Robert F. Miseldine at a nite meeting at T. Littles, the church approved of him exercising his gift (of preaching) & next March agreed to license him to preach.

On 2-22-1840 Ariel called Br. Henry Bell to the care of the church as preacher.

On 12-5-1840 Ariel called Br. J.B. Deavours as preacher.

On 11-6-1841 Br. Miseldine charged Br. T. Little with unchristian conduct by going before the unjust and not before the saints. The charge was acknowledged by Br. Little and his answer not being satisfactory, he was excluded for the same. Sis. Mary Little and her dau., Elizabeth,applied to be dismissed and were.

On 12-31-1841 Br. J.B. Deavours was again chosen pastor & accepted provided he might serve as employed by the board of domestic missionaries & make his own appointments which was granted. R.F. Miseldine chosen clerk.

On 12-31-1842 the church agreed to have Br. R.F. Miseldine ordained. On 3-3-1844 he was excluded from the church for absconding to evade paying his just debts.

On 8-9-1845 Br. J.M.Sullivan was elected Clerk. He had been dismissed from Baptist Church at Knoxville.

On 12-6-1845 the church elected Br. J.C.R. Lockhart as pastor and moved that the Ariel move to Union Church in Macon Co., Ga. then asked Horeb to ordain Br. Lockhart to preach for them and that their church go by name of Union. Later Br. T. Little was restored to fellowship and asked for letters of dismmission.

1-22-1848 'the meeting house formly ocupied by this church in Crafford County (later Taylor Co.), we have sold at out cry for to pay Bryant Ingram the money he paid for the meeting hous when it was sold by the (Sheff) as J(osiah) Nitens propty. (Knightens). 11-17-1849 Hiram Powell chosen pastor. Wm. F.E. Ogburn chosen Clerk.

BETHEL BAPTIST CHURCH constituted 4-12-1828 and discontinued 12-7-1850 - went to HOREB?

Bethel was probably the second church (after Crowell) that was established in this area in what was then Talbot County but may have been in what is now Taylor County. The church minutes of 6-13-1830 state:"Met in conference, Bro. John Hambric moderator (& probably pastor). The Church appointed the Brethren W.L. Walker, L.P. Breedlove, Eli F. Walker, John C. Poynton & John Tamplin to view a site on the lot of land on which William Booth lives and clothe the same with authority to buy off a site viz, 4 acres & take a deed to it ..if they like." It was probably located near the present Horeb Church just over the 'line' in Talbot Co. on Highway 208.

The first pages of the Bethel Church minutes were lost but in August, 1829 section,William Henderson was moderator & probably pastor. The moderator in Sept. was John Hambric & he was pastor till 1833 when Hiram Powell was chosen then resigned after a year. John Ross was next & served till his death in 1837. James Perryman was pastor till 1843? then S. W. Durham served a period and Bro. Hardison was last. L.P. Breedlove was 1st? clerk.

On 7-11-1835 Bro. David Lockhart made application for letters of dismission for the following members:
David Lockhart (Clerk) Green Huff & Martha William Grace Mary Wells (This was probably the beginning
Nancy B. Lockhart Mary Griggs Elizabeth Grace Frances Booth (of HOREB CHURCH for on
7-29-1842 David & John Lockhart were delegates from HOREB to the General Meeting at Bethel. Then later on
8-10-1844 Bethel appointed Brethren Magee & Willis messengers to HOREB.

On 12-7-1850 the Bethel Church minutes state: The Church met in conference , Bro. Hardison moderator. The Church went into a committee of the whole to investigate the propriety of dissolving or discontinuing the Bethel Church at this place and after due deliberation decided to discontinue and adjourned to meet on the 18th inst. D.A.J. Willis,C.C. Pro Tem The Bethel members probably went to Horeb Church as Horeb has possession of the Bethel Church Minutes.

The first members who constituted Bethel Church joining by letter 4-12-1828 were: Robert & Nancy Clayton; Wiley Clayton; John Pratt; Hampton & Martha Langly and Tapley Booth (1790-1834 who went to Talbotton Bap--tist Church after a year. His 2nd wife, Rachel, was sis/of R.B. Davis one of first trustees of Crowell Methodist Church to whom Henry Crowell deeded his church in 1831 so Rachel must have joined a Methodist Church, probably Carsonville, Crowell or Talbotton. Tapley was ancestor of Booths, Streetmans, Jones, Smiths in Taylor.

Following is a list of some Bethel Members & year they joined shown as 28 for 1828, 34 for 1834 etc.:

BETHEL PRIMITIVE BAPTIST CHURCH (About one mile south of Butler)

The following information was copied from records of the original Minutes of Bethel Church as recorded by Elder J. W. Mott, Jr. and his wife, Elizabeth, to whom sincere appreciation is hereby expressed.

On June 15, 1838, the Brethren William Bowden and Peter Stewart came forward by Church authority and constituted the following members a Church of Jesus Christ: -

John Hudson; Rayman Davinport; James S. Bartlett; Elizabeth Bartlett; Sarah Bauthenstine; Aby Johnson; Dorothy Bartlett; Mary Bartlett; and Elizabeth Rhodes.

The Church was called HOPEFUL until 3-18-1843 it was changed to BETHEL. It met 12-15-1838 with Br. Peter Stewart, moderator and selected a place for building a meeting house in the N.E. corner of LL 212 in the 12th Dis. of then Marion County that was in 1852 changed to Taylor County-about 2 miles S.W. of Butler. On 2-16-1839 James S. Bartlett was chosen church clerk and G.L. Taylor was chosen Pastor 6-17-1839. On 3-14-1840 the Church agreed to write the church at Rosemary, S.C. to state if Br. John Hudson was justified in departing from his wife and asked for a letter of recommendation from them for Baxter Boland. The Church in S.C. replied Bro. Hudson was justified but they could not recommend Br. Boland and grant him a letter of dismission. Years later, Br. Hudson was excommunicated from the church for living with Nancy Battle. Later he got a divorce and legitimatized their children and married Nancy in 1859. In 1843 Br. H.E. Parker acknowledged fighting after having been shamefully treated & the Church forgave him.. In 1843 the Church was moved to the neighborhood of Br. Wm. Hurst & the next year he was chosen Clerk. On 11-8-1844 the Brethren Philips, Hurst & Boland were appointed to sell land & house near Bartlett's Mill that belonged to the Church. It was sold for $15 & $5 given to Sarah Watson who was later excommunicated for acting 'disorderly' in 1847. In 1848 the Church appointed Hurst, Willis? Watson & E.S. Loyd to procure a Title to 4 acres of land from Claudius Bynum to build a meeting house on.

In 1851 Willis & Elizabeth Watson excommunicated for joining a church of another faith. In 1852 moved that the Church 'wash feet' every communion time.& Bethursbay? Church of Marion Co. requested to unite with Bethel & 'twas granted. S.H. Dwight & James Johnson (of New Hope in Macon Co.?) asked for Andrew Hood to preach for them (one weekend a month) & it was granted as most churches had services only one weekend a month. In 1850 Baxter Boland was liberated to exercise his gift (of preaching?) in the bounds of the church. 1853 Ceasar, property of Elder Hood received into the church. In 1853 the Church brot a charge against Br. Andrew Hood for visiting the Masonic Lodge (with his wife) & other charges so they left the Old Baptist Church of Bethel & a committee was appointed to ask for his preaching credentials. In 1855 Wm. Hurst returned to Wm. Miller a deed to meeting house? and Isaac Stanford was ordained to preach. In 1865 George Knight was liberated to exercise his gift.

On 1-28-1857 moved that church be moved 1 mile SW of Butler & 5-2-1857 building committee of J.S. Bartlett, Wm. Miller, Enoch Garrett, Wm. Hubbard & James D. Tennison was appointed. James Tennison licensed to preach..

In 1876 Martha Cook was excluded for joining the Freewill Society & 1898 Mollie (Mary) & Pearl Pierce were excluded for joining 'the Missionaries, a disorderly body'. (continued)

The 1850 Censuses were the first to give the names and ages of all the members of a family and their states of birth if other than Georgia and their occupations if other than farmers. Most of the people born then outside our state were born in the Carolinas, and the main route to get here was down the 'fall line' roads to Augusta in Georgia, thence to Milledgeville, Gray, Roberta and across the Flint River at the Indian Agency into Taylor. From here that route went to Columbus then into Alabama and west to Texas and California.

The famous and the 'not famous' rode their horses or walked over the early trails through Taylor, forded the streams or crossed on ferries, later the roads were better and they came in wagons and carriages, some tarried to rest or spend the night, others tarried through the winter before going 'west' and others tarried their whole lives here in Taylor and their children's grandchildren still live here-a very good place to tarry.

The 1860 Census is continued on the next page.

END OF 1860 CENSUS

There were 3568 white people in Taylor County in 1850 and 2430 slaves who were freed after the Civil War which began 4-12-1861 and ended three years later on 4-9-1865. About 400 men went to that War from Taylor County.

THE FEDERAL CENSUS OF TAYLOR COUNTY GEORGIA 1870
(RESIDENTIAL)

In the 1870 Census all surnames are in capital letters and have been indexed to which they belong. Beside each name is given the age of that person at the time the census was taken. Ages can vary a great deal from Census to Census. Sometimes the Census Taker talked to children and husbands who did not remember the exact ages. The 1870 Census was started July 25, and completed August 8, 1870.

After the age of a person is given, it will be followed by occupation, other than farmer, then followed by birthstate, if other than Georgia, follwed by propery value and personal property value.

Abbreviations used in this Census were kept simple as possible, and are as follows:

The following information in parentheses was added from collected information from family members, earlier Census records, obituaries from county newspapers beginning in 1928, (stored in the vault of the clerk of court and judge of probate), from church records, and other sources. My information may contain some errors, please excuse!

End of 1880 Census

I especially thank MILLIE STEWART and GUELDA HAY for typing into final form, this 1880 Census of Taylor County, and for many other things to make this work possible!!

1900 CENSUS OF TAYLOR COUNTY, GEORGIA

These Census Records were copied from microfilm records obtained from the National Archives in Washington, D. C. Several Census Takers made those original records numbering and listing both white and black families in their respective districts as they came to their homes but I listed only the white people, numbering their households with the same numbers in the order in which they were recorded. In addition I listed also the Census page number for searchers who may wish to check the microfilm.

The old writing is hard to read, some pages seem to to have gotten wet with the ink smeared so I could not read all the names and some are not spelled as they are today. Therefore some people who may have been living here then in 1900 were not found and some may not have been at home when the census takers visited.

Following is a list of heads of households (of whites) as they were numbered and recorded which will indicate neighbors and possible relatives nearby as well as the militia district in which they lived.

GEORGIA MILITIA DISTRICT 743 CARSONVILLE named for the Carson Family. Some of them are buried in an abandoned cemetery there and others went to Texas.

This census was recorded by J. T. Monk beginning 6-1-1900.

END OF CEDAR CREEK

In this 1900 Census all surnames are in capital letters and have been indexed. First names are under the surname to which they belong. Beside each name is given the age of that person at the time the census was taken. If a person gave his or her age as 10 in JUNE he would have been born in 1890 and if his birthday were in OCTOBER he would have been born in 1889 becoming 11 years old in OCTOBER after census age had been recorded in JUNE.

After the age of a person is given it will be followed by occupation if other than farmer then followed by birthstate if other than Georgia.

Abbreviations used in this Census were kept as simple as possible as:

b. . . . born	fa/i/law . . . father-in-law	si/i/l . . sister-in-law
bro/i/law . . . brother-in-law	fa/o . . . father of	sis/o . . . sister of

d/o . . . daughter of	mo/i/l . . . mother-in-law	wd/o . . . widow of
F . . . female, M . . . male	q.v. .....which see	B/H ...Butler Herald

The following information in parentheses was added from collected information from family members, earlier census records, obituaries from the county newspapers beginning in 1928 and stored in the vaults of the clerk of court and judge of probate, from church records and others. I have tried to make this as accurate as possible. My information from these sources may have included some errors and I have made some. Please forgive us our trespasses and happy hunting.

THE JOHN CHILDS FAMILY

JOHN CHILDS, SR., born 1751 and died in Jones Co., Ga. on May 25, 1825, left a Will there, naming the following heirs: Sons, M(ichael) Satterwhite; John; Thomas M(adison); William; Elijah; Elisha and Daughters: Phanny; Lucy; Amy; Susamer; Patsy (Martha?).

JOHN CHILDS, SR. was a Revolutionary Soldier. He took an oath of allegiance to the State of North Carolina, Island Creek District, Granville Co., on May 22, 1778. He bought land in Elbert Co., Ga. around 1785 and was also found in early church records there.

On 2-11-1769 in Granville Co., N.C. a marriage license was issued to John Paine to marry Susanna Satterwhite of 'full age' with David Mitchell and John Satterwhite signing her license bond. Susanna was presumably widowed (in the Rev. War) and married again to John Childs by 1810 in Granville Co., N. C. as she was named as 'SUSANNA CHILDS of Ga.' in the 'Equity Proceedings' on Michael Satterwhite's estate in N. C. then. She was the daughter of Michael who had married Amy Mitchell, named as Amy Satterwhite in the Will of James Mitchell which was probated in 1779 in Granville Co., N. C., showing Amy was James' daughter.

MICHAEL and JOHN SATTERWHITE were living in Lunenburg Co., in Va. in 1756 and bought from John Mitchell there, 1397 acres of land on the south side of Roanoke River for 100 pounds currency. In 1759 Michael Satterwhite and his wife, Amy, then in Granville Co., N. C., sold the land to Ed Taylor. On 11-7-1777, Granville, Co., N. C., MICHAEL SATTERWHITE was appointed Register of Deeds there with Joseph Taylor and Thomas Satterwhite as bondsmen. He was appointed again in 1785. Then in 1804, examiners reported the Register's Office kept by the 'late Register', Michael Satterwhite who had died. His estate was not settled until the 'Equity Proceedings' in 1810 in Granville Co., N. C.

POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1992 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc. (continued)

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
